## ANNOUNCEMENT

Each year the Regional Shorthorn Show and Sale held at Jamestown, N. Dak., has grown in size, territory that it reaches and in public popularity. The consignors of cattle to this year's event, who are from Montana, Minnesota, and North Dakota have again reserved their very finest products to further cement the prestige that this annual sale enjoys.

These cattle have been screened by inspections made by various competent Shorthorn men who are interested in the welfare of the Shorthorn breed and the continued success of the Regional Shorthorn Sale, and feel that the consignments will prove to be one of the top offerings ever offered at any consignment sale in the Northwest.

There are numerous top herd bull prospects — in fact, some of the very best individuals you can find both as to type and breeding will be offered. Real commercial and farmer bulls will be available in numbers to satisfy the needs of any cattleman. Regardless of what your bull needs might be you can find it in this sale!

The female offering is equally as desirable as the bull offering. Herd replacements or foundation females will be found here. They are as desirable as any you can locate in any area and many of them are bred or will sell with breeding privileges to some of the top young herd bulls in the nation. It is no idle boast that the Northwest has some of the greatest bulls in the Shorthorn breed that are siring calves of both sexes that compare with the productions of any herd in the country.

Shorthorns that have been previously sold at Jamestown have gone on and done a grand job for their purchasers. The sale offering this year is literally studded with gems of the breed — there is no better place to buy quality Shorthorns at reasonable prices than in the Thirteenth Annual Regional Shorthorn Show & Sale to be held at Jamestown on Tuesday, October 23, 1956.

We sincerely hope to see each and every one of you at Jamestown and please accept this message as a personal invitation from the consignors for you to be their guest on this day. Those of you who have attended this event know that it has become an annual must — for those who have never been in attendance we are quite frank when we say that you have been missing one of the outstanding livestock sales in this area. We'll be looking for you!

## SHOW

We are indeed proud to be able to announce that Floyd Clausen of Spencer, Iowa, will be our judge. His placing will determine the selling order of this grand offering. The show will commence promptly at 9:00 A. M. on Tuesday morning — the day of the sale!

### SALE COMMITTEE

FRANK ANDERSON, Foxholm, N. Dak.

EKNESS BROS., Grand Forks, N. Dak.

### TERMS AND CONDITIONS

The Sale will start at 1 p. m., Tuesday, October 23, 1956.

**TERMS:** All sales are cash or according to arrangements made between the buyer and seller. Settlement must be made with the clerk immediately after the sale. All cattle will be at the buyer's risk as soon as sold but assistance will be given in loading, in compliance with buyer's instructions. All sales are strictly between purchaser and consignor and neither the clerk of the sale or sale manager assume any liability in any collection or adjustments concerning this sale, but will assist in handling of such matters, if necessary.

**REGISTRATION CERTIFICATES:** A registration certificate and transfer certificate will be furnished with each animal, and an application for registry will be furnished with each calf sold at foot or in dam. Breeding dates in the catalog are furnished by the consignor.

**GUARANTEE:** Health certificates will be furnished with each animal. All cattle are sold subject to a sixty-day retest for tuberculosis. Bulls are guaranteed to breed if properly cared for and not allowed to run with the herd. If a bull fails to breed he may be returned to the seller if in as good condition as when bought, and if after three month's trial he fails to breed, the animal will be replaced with one of equal value or the money will be refunded. Cows with calves at side are considered breeders and no further guarantee is given. All other cows and heifers over fifteen months at the time of sale are guaranteed to be breeders. Animals which are returned to breeders because they fail to meet the guaranteed statement will be at the buyer's cost of transportation. It is understood the guarantee of the cattle consigned to this sale constitute a contract between the consignor and the purchaser of each lot. Any claim for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale. The sales committee does not assume any responsibilities in these matters.

**MAIL BIDS:** Mail bids may be sent to representatives of the Shorthorn World; American Shorthorn Breeders Assn., Willard Schnell, Auctioneer; Members of the sales committee; or to Gilbert Elken, Jr., Sales Manager. Bids sent will be handled confidentially and conservatively in the interest of the bidder, if unable to attend. Any bids should be sent to the above parties in care of the Gladstone Hotel, Jamestown, N. Dak., sale headquarters.

**CLERK OF SALE:** National Bank of Jamestown and the James River National Bank.

**AUCTIONEER:** Willard Schnell, Dickinson, N. Dak., and assisted in the ring by representatives of The Shorthorn World and the American Shorthorn Breeders Association, and other fieldmen.

**SALES MANAGER:** Gilbert Elken, Jr., Mayville, N. Dak.

**EKCO CAMP COMMANDER** — One of the best sons of Eldak Campeon Max and that's saying a lot. To back this claim up he has to his credit the Senior Championship at Minot, Reserve Senior Champion at Great Falls, Montana, Senior and Grand Championship at Billings, Montana and Senior Champion at Fargo. He is a solid red bull with good size for age and plenty of bone. This may be the last opportunity to purchase a son of Eldak Campeon Max at public auction. A three-fourths brother to "Commander" topped the 1956 Valley City sale and the sons of Eldak Campeon Max had the high average.

She is a sister to the great heifer we sent to Alberta for \$1750 where she is recognized as one of the best females in that province. This bull is very well fleshed, smooth as a ribbon and has a great quarter. He was Reserve Grand Champion bull at both Grand Forks and Minot. We can recommend this bull highly to anyone.

**BROADHOOKS OF ELDAK 30TH — A dark red roan, daughter of the Upper-mill Cadet bull and out of the same family of cows that holds the all-time record top at Jamestown when we sold a heifer of the same family to Otto Hansen for \$1750. This heifer would make an ideal 4-H project or a beautiful foundation female for someone. She is very uniform and carries her width out very well. She pretested clean and was calfhooed vaccinated for bangs.**
